

RINK SYSTEMS INC. PROJECT PROFILE

Community First **CHAMPION CENTER**

Grand Chute, WI

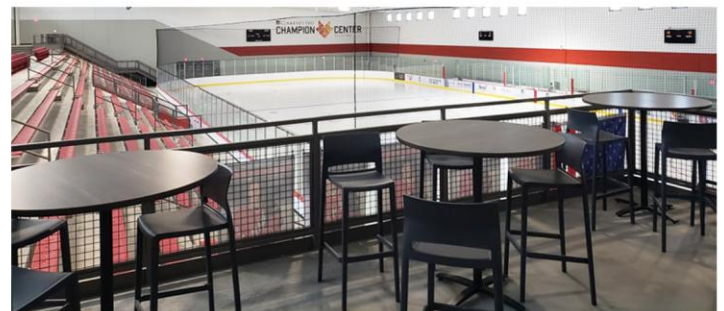

www.championcenterwi.com

Community First Champion Center is a 164,000 sq ft modern complex for youth, community sport activities, and events. This elite complex features three competition pods, year round ice rink, field house, and seasonal arena that transitions between a portable rink and hardwood courts. Spectators are given a perfect arena view on the second story observation deck with elevated seating and additional standing room. Additional amenities include: 10 locker rooms, team meeting rooms, physical therapy clinic, first aid/training room, concessions, and more. Whether hosting a weekend tournament or facilitating weekly practices, the Champion Center reaches to inspire athletes of all ages.

LEGACY ELITE DASHBOARD ADVANTAGES
